

WELCOME!

CIMA - Who We Are and What We Do:

The Correia Instrumental Music Association (CIMA) is a volunteer organization dedicated to improving the experience of the music students at Correia Middle School. Our goal, with the support of our parents, volunteers, teachers and staff, is to enhance and enrich the music education and experience of our children, while mitigating the impact of the state budget cuts on our music programs.

In order to achieve this goal two things need to happen. First, we need to increase our fundraising efforts for the 2017-18 school year. Second, we need families to volunteer their time and increase their presence at music events. It is our hope that each family will consider a tax-deductible contribution to our Annual Giving Fund. Your participation is greatly appreciated whether it's via your time, talent, or through a financial contribution. We are thankful for the volunteers who have already signed up to help this year and we look forward to many of you joining in to help our students.

Please contact CIMA at correiamusic15@gmail.com or visit the Correia music website at www.correiamusic.com with any questions or suggestions you may have. We're looking forward to working together and to a wonderful year ahead!

Why Give?

Correia Music has an award winning music program. This program has been achieved by providing additional music instruction and opportunities above and beyond San Diego Unified's level of music education.

In order for CIMA to continue to support these wonderful programs in your child's music education, we need help from our families in our fundraising efforts. This can be through support and financial contributions, *any* amount helps out.

The funds raised through the Fall Annual Giving Campaign are used this year to off-set expenses associated with creating, rehearsing, performing, and competing in our current school year.

Matching Gifts: Many companies will match or give a percentage of any charitable donations made by their employees. Please contact your benefits or human resource office to request a matching gift form. Why not double or triple your donation!?

Correia Instrumental Music Association is a 501(c) non-profit organization.
