Guidelines for Student & Audience Behavior

The Spooktacular is a fun-filled night of performances, and food that is sure to please children and adults alike. But...let's not forget that the purpose of the night is to **support our children in their music making**. The central focus of the evening should be on the kids and their performances.

Out of respect for the hard work our students have put into preparing for this event, please adhere to the following guidelines:

- The music performance area is being located in front of the library. There will be a roped off "quiet area" in this performance venue location. Please exhibit standard audience etiquette in this area. This includes no talking, no distracting movements such as waving or talking to our performers, and no talking or texting on your cell phone.
- Limit yourself and your children to the Spooktacular Event area only in the front courtyard area of the school. Other areas of the campus are closed and off limits. As always, the riding of skateboards, running on campus, or climbing on walls/tables is strictly prohibited.
- Parents: This is a family event, **NOT A DROP OFF** event. Students are to be under the supervision of an adult over 21, parent or guardian when they are not performing. Remember, this performance is for you and the students want to perform for you. Student performers unable to provide adult supervision should contact Mr. Dwyer to obtain a performance excuse.
- Please join us in our celebration of Spooktacular and feel free to get in the spirit by dressing up in costume. Just remember that even after hours, school rules still apply. Costume guidelines apply to our guests as well. Halloween masks or full-face paint, inappropriate dress and/or themes (e.g., t-shirt advertising alcohol, drugs, violence), and weapons (including toy weapons) of any kind **MAY NOT** be worn.

We look forward to a fun-filled, safe evening for our musicians and their guests. We hope you will join us!
