Advanced Band ~ Art Student Exhibit

@ Correia MS Auditorium

Can’t wait to hear your student perform?

Let’s honor the efforts of the performers and provide a listening atmosphere. This insures that everyone can appreciate the performance.

PLEASE!

- Silence all cell phones and electronic devices.
- If it becomes necessary to leave the auditorium, please do so between musical selections and use the side doors.
- If very young children become restless, please take them from the auditorium until they are quiet.
- Do not hum or clap along with the performers unless invited to do so.
- Whistling and cheering are not appropriate at a formal concert.
- Finally, students are being supervised in warm-up rooms prior to their performances. Once your child is done performing, we ask that you meet him/her at his/her designated warm-up room and either take him/her home or supervise your child during the remainder of the program. The students have been encouraged to stay until the end of the concert in order to support their friends in other ensembles.

We have all worked very hard to prepare an exceptional evening of music for everyone to enjoy. Thank you, in advance, for your assistance in helping this to be a wonderful experience for all of us!

Sincerely, Mr. Dwyer

Many Thanks to the Supporters for our Winter Concert and Fall Fundraisers
