Dear Parents,

On Friday May 17th, our Choir, Guitar, and Beginning Band will be attending the Forum Music Festival and Knott's Berry Farm. The students will be performing for a panel of judges and competing with other Southern California schools. Students will be excused from school the entire day and will return late in the evening. As this is a competition, it is helpful for all students to attend this festival in order for our ensembles to perform at their best.

The cost per student for this trip is \$125.00. If your student has not already signed up for this trip but would like to attend, please use the form provided and return it with your contribution to the music office in Room 601 by May 7th, 2019. To be eligible to attend this trip, students attending this trip cannot have any F's (academic), U's, or N's (citizenship) in any subject effective the Term 2, Progress Report 4, (ending April 26th). Progress Reports will be distributed on May 3rd. Please be certain your student will be able to attend. If you have already paid, Please request a refund before May 7th.

Please contact Ms. St. Clair (djastc7@gmail.com) if you have any questions about prior payments or Mr. Dwyer (mdwyer@sandi.net) if you have any questions or concerns about payment. No student will be denied participation but we ask that each family contribute towards our expenses; which includes tickets to Knott's, Festival workshop fees, bus transportation, lunch, and \$10 for dinner.

We are looking forward to an exciting and educational enrichment experience for your music student. Also, let us know if you would like to join us as a chaperone or contribute snacks for the trip.

Sincerely,

Mr. Marc Dwyer

Fieldtrips: Beginning Band Guitar Choir

Students in the Correia Instrumental Music program will participate in the fieldtrips outlined below. To be ready for these trips, CIMA and its members provide resources to cover transportation, entry fees, food, supervision, and additional expenses to prepare for each student's safety, success and wellbeing.

CIMA has created a simple schedule for Fieldtrip Contributions. To make sure our students can be part of these wonderful opportunities we ask that each family help the program by committing to the fieldtrip contribution schedule. No student will be denied participation, but if a family is not going to meet the schedule provided below, please contribute what you can.
